

small business packages

Webpub Media Solutions can provide you with a Small business package tailored to suit your individual needs and budget. Whether you are starting up a new business or looking at refreshing your existing one, Webpub has the package for you.

Our packages range from budget introductory level through to major business solutions. We offer training and full after sales service with all our packages. Depending on your choice, the following features are available;

- Customised website
- Logo design
- Brochures & flyers
- Product labels
- Multi media presentations
- Database design and eCommerce
- Stationery - letterheads, compliment slips, etc
- Other promotional materials including T-Shirts, fridge magnets, etc.

from as little as

\$499

Consulting & Training – One of our consultants can visit your workplace to evaluate your business set up and practices. We can help you to automate tasks and streamline your everyday processes using the latest technologies and software available today. We can also provide onsite training in business technologies for both you and your staff.
